

2024 Wilkinson Gelbvieh Spring Bull Sale

All were DNA parent-verified AND tested for Homozygous Black (if double black); results in catalog
 Only bulls marked "Homozygous Polled" were DNA tested for polled status. HOWEVER,
 multigenerational polled pedigrees indicate a high probability of most of these bulls being
 homozygous polled.

Tattoo	Name	PAP	Polled **	Scrotal (actuals)
BNW 2111K	PLAINSMAN KLINK 2111K	37 **	Double Polled	43.5
BNW 2121K	PLAINSMAN KNOCKOUT 2121K	38 **	Double Polled	44.25
